

N.E.W. PLASTICS CORP.
CUSTOM BLOW MOLDING

RENEWPLASTICS®

Since 1968, our family-oriented company has been committed to helping customers and producing high quality products.

Engineer

Job Type: Full-time Salary

N.E.W. Plastics Corp. has been a leader in sustainable plastics technology since 1968. We are a family-owned company that truly believes in work-life balance. We are a leading manufacturer of plastic containers / bottles and plastic lumber. Located in Luxemburg, Wisconsin, our manufacturing facility is just minutes from Green Bay.

We are currently seeking skilled and experienced engineers to join our team. We are looking for one engineer in our plastics blow molding bottle division and a second one in our plastics extrusion lumber division. The ideal candidates will be instrumental in optimizing our manufacturing processes in both divisions, ensuring product quality, efficiency, and adherence to industry standards. These roles will require expertise in plastics engineering, hands on experience with either blow molding or plastic extrusion equipment, along with project management and a commitment to driving continuous improvement.

We are looking for:

- A bachelor's degree in Plastics or Mechanical Engineering, or a related field.
- Minimum of 3-5 years of hands-on engineering experience.
- Project management throughout the process of product development and or process improvement.
- Knowledge of blow molding or plastic extrusion processing.
- The ability to provide guidance on best manufacturing options for new business opportunities with a focus on cost, process optimization, and quality control.
- Strong analytical and problem-solving skills.
- Excellent communication skills.
- Adherence to safety protocols and dedicated to a safe working environment.

This opportunity is excellent if you enjoy:

- A family company with work life balance.
- Self-motivated, detailed work responsibilities.
- Teaching and mentoring others.

We provide:

- Excellent, comprehensive medical, retirement and time-off benefits.
- Company health clinic available at no or very low cost.
- Salary commensurate with experience
- A local, growing family company.
- A company you can be proud of
